COMMENTS:

This bill would eliminate the scheduled reduction of a property value exemption for the home of a military person or their spouse who is disabled or dies while on active duty in military service as a result of a service-connected disease or injury.

The January 6, 2000, amendment deleted the provisions providing combat zone tax relief to members of the armed forces performing services in Yugoslavia.

As a result, this bill no longer impacts the department's programs and operations or state income tax revenue.
